

Shutters

To add appeal to windows, GRP louvre shutters are available in a standard white, light oak, dark oak or mahogany finish or alternatively that can be produced in any BS colour.

They have the fine grain and texture of timber and are indistinguishable from the real thing. But unlike timber, they'll never rot or need painting.

Height options for both width of shutter:

- 914mm
- 1067mm
- 1219mm
- 1372mm
- 1524mm

Available in plain, antique mahogany or oak wood finishes
